PROFESSIONAL EXPERIENCE

Debbie Codes *Freelancer*

Remote
July 2021 - Present

- Programmed web solutions for clients using HTML, CSS, and JavaScript frameworks.
- Built several mobile applications that meet development standards and client's needs.
- As a freelance developer I work with various companies and help them achieve development goals, I play essential roles in the development of high-end websites.
- Providing clear documentation and technical support to the end users of each site.
- Developing and maintaining the website, front-end functionality of the website to produce clean code that follows the design and functional specifications.
- Installing and setup of existing the website, fixing website bugs and enhancing the website.

Grace Meridian Schools *WordPress Developer*

Chief Waheed Eletu Way, Lekki Penninsula II 106104, Lagos
July 2021 - Present

- Make regular backups of the site and publish new contents
- Leveraged strong understanding of WordPress core to manipulate admin and theme components.
- Converted design assets into component-based HTML, CSS and JavaScript.
- Monitoring the network performance to determine adjustments and resolving purposes.
- Prioritizing and fixing the site-related design problems and taking the initiative to implement new features based on feedback from users.
- Developing security administration applications, controlling authority levels in database transactions and minimizing safety problems.
- Effectively planning, scheduling and arranging the tasks to ensure the project moves through its lifecycle with few problems.

TheoWorld IT Services (TWITS) *Coding Instructor*

No. 2 Kodesoh street, Ikeja Lagos
April - Present

- Applied various teaching aids to minimize learning gaps and instruct and motivate over 5 students.
- Evaluated and revised lesson plans and course content to achieve student-centered learning.
- Earned positive feedback from parents regarding classroom instruction and student learning success.
- Defined and articulated learning outcomes, including measurements, performance metrics and changes to improve student learning.
- Used learning assessments to regularly monitor student understanding of class concepts and materials.
