PROFESSIONAL EXPERIENCE

TheoWorld IT Services (TWITS) Hybrid
Coding Instructor (part-time) April 2021 - Present

- I carefully develop and implement training materials for new and existing coders weekly.
- I present virtual training classes via Zoom/Google Meet video Conference.
- I keep track of students' progress to determine the overall success of the learning program.
- I evaluate and revise lesson plans and course content to achieve student-centered learning.
- I provide useful resources, texts, links, visual aids, and other materials to aid learning.
- I apply various teaching aids to minimize learning gaps and instruct and motivate students.
- I use learning assessments to regularly monitor student understanding of class concepts and materials.
- I place a high value on punctuality and work hard to maintain an excellent attendance record.
- Earned positive feedback from parents regarding classroom instruction and student learning success.

Genius Techub Remote
